Mr. Harold Weisberg
Hyattstown, Md.

Dear Mr. Weisberg,

This week I visited a friend of mine and during my visit we began discussing last Saturday night's program which you appeared on - a panel on the Warren Report.

He had a copy of your book - "Whitewash" - a report on the Warren Report - I began reading it and was practically unable to put it down.

However, now I have had to return the book and realize I would like a copy myself.

I have checked all types of book stores and am unable to locate a copy.

Would it be possible and if it is I would be very grateful if you could secure me a copy.

If possible please send it C.O.D to my address.

My address is:

Mr. John Manfredi
190-25 Woodhull Ave.
Hollis, N.Y. 11423

Thanking you in advance for all your trouble. I would also like to congratulate you on publishing a book such as yours and for the courage it probably took you.

Yours truly,
John J. Manfredi
